**Democratic Vice Presidential Candidate John Edwards
Holds Town Hall Meeting at Cape Liberty Cruise Port**

Bayonne, October 7, 2004 - Democratic vice presidential candidate John Edwards, along with family members who lost loved ones on September 11th held a town hall meeting on October 7 at the Cape Liberty Port at The Peninsula at Bayonne Harbor.

Edwards addressed the issue of homeland security and fielded questions from the audience on a broad range of topics.

This is the second time this year that The Peninsula at Bayonne Harbor has been a backdrop for a national media event. Earlier this year, The Peninsula was featured in the opening of Cape Liberty Cruise Port.

The Peninsula is one of the largest tracts of property available for redevelopment on NY Harbor.

Future plans for The Peninsula at Bayonne Harbor call for a vibrant mixed-use waterfront development comprised of residential, maritime, light industrial, commercial and office uses. The Peninsula will feature a cruise terminal, marinas, ferry service, more than two miles of waterfront walkway and numerous recreational areas with parks and playgrounds.
